

We specialise mainly in t-shirt printing, but can also print hoodies, aprons, bags and other fabrics. Anything we can't do, we can usually tell you where to get it done.

- Small print orders welcome.
- We prepare your artwork.
- Clothing available in a range of styles, colours and sizes from tried and tested suppliers.
- **Call** or **email** for a quote.

We also offer a screen printing course where you can print your own t-shirt design. Check out our website for this and screen printing related info.
